

§ 22.10

in appendix A to this part satisfies the borrower notice requirements of the Act.

§ 22.10 Notice of servicer's identity.

(a) *Notice requirement.* When a bank makes, increases, extends, renews, sells, or transfers a loan secured by a building or mobile home located or to be located in a special flood hazard area, the bank shall notify the Director of FEMA (or the Director's designee) in writing of the identity of the servicer of the loan. The Director of FEMA has designated the insurance provider to receive the bank's notice of the servicer's identity. This notice may be provided electronically if electronic transmission is satisfactory to the Director of FEMA's designee.

(b) *Transfer of servicing rights.* The bank shall notify the Director of FEMA (or the Director's designee) of any change in the servicer of a loan described in paragraph (a) of this section within 60 days after the effective date of the change. This notice may be provided electronically if electronic transmission is satisfactory to the Director of FEMA's designee. Upon any change in the servicing of a loan described in paragraph (a) of this section, the duty to provide notice under this paragraph (b) shall transfer to the transferee servicer.

APPENDIX A TO PART 22—SAMPLE FORM OF NOTICE OF SPECIAL FLOOD HAZARDS AND AVAILABILITY OF FEDERAL DISASTER RELIEF ASSISTANCE

We are giving you this notice to inform you that:

The building or mobile home securing the loan for which you have applied is or will be located in an area with special flood hazards.

The area has been identified by the Director of the Federal Emergency Management Agency (FEMA) as a special flood hazard area using FEMA's *Flood Insurance Rate Map* or the *Flood Hazard Boundary Map* for the following community: _____. This area has at least a one percent (1%) chance of a flood equal to or exceeding the base flood elevation (a 100-year flood) in any given year. During the life of a 30-year mortgage loan, the risk of a 100-year flood in a special flood hazard area is 26 percent (26%).

Federal law allows a lender and borrower jointly to request the Director of FEMA to review the determination of whether the property securing the loan is located in a

12 CFR Ch. I (1–1–07 Edition)

special flood hazard area. If you would like to make such a request, please contact us for further information.

_____ The community in which the property securing the loan is located participates in the National Flood Insurance Program (NFIP). Federal law will not allow us to make you the loan that you have applied for if you do not purchase flood insurance. The flood insurance must be maintained for the life of the loan. If you fail to purchase or renew flood insurance on the property, Federal law authorizes and requires us to purchase the flood insurance for you at your expense.

- Flood insurance coverage under the NFIP may be purchased through an insurance agent who will obtain the policy either directly through the NFIP or through an insurance company that participates in the NFIP. Flood insurance also may be available from private insurers that do not participate in the NFIP.

- At a minimum, flood insurance purchased must cover *the lesser of*:

- (1) the outstanding principal balance of the loan; *or*

- (2) the maximum amount of coverage allowed for the type of property under the NFIP.

Flood insurance coverage under the NFIP is limited to the overall value of the property securing the loan minus the value of the land on which the property is located.

- Federal disaster relief assistance (usually in the form of a low-interest loan) may be available for damages incurred in excess of your flood insurance if your community's participation in the NFIP is in accordance with NFIP requirements.

_____ Flood insurance coverage under the NFIP is not available for the property securing the loan because the community in which the property is located does not participate in the NFIP. In addition, if the non-participating community has been identified for at least one year as containing a special flood hazard area, properties located in the community will not be eligible for Federal disaster relief assistance in the event of a Federally-declared flood disaster.

Subpart A—General Provisions**§ 23.1 Authority, purpose, and scope.**

(a) *Authority.* A national bank may engage in personal property lease financing transactions pursuant to 12 U.S.C. 24(Seventh) or 12 U.S.C. 24(Tenth).

(b) *Purpose.* The purpose of this part is to set forth standards for personal property lease financing transactions authorized for national banks.

(c) *Scope.* This part applies to the acquisition of personal property by a national bank for the purpose of, or in connection with, the leasing of that property.

§ 23.2 Definitions.

(a) *Affiliate* means an affiliate as described in § 23.6.

(b) *Capital and surplus means:*

(1) A bank's Tier 1 and Tier 2 capital calculated under the OCC's risk-based capital standards set forth in appendix A to 12 CFR part 3 as reported in the bank's Consolidated Report of Condition and Income filed under 12 U.S.C. 161; plus

(2) The balance of a bank's allowance for loan and lease losses not included in the bank's Tier 2 capital, for purposes of the calculation of risk-based capital described in paragraph (b)(1) of this section, as reported in the bank's Consolidated Report of Condition and Income filed under 12 U.S.C. 161.

(c) *CEBA Lease* means a personal property lease authorized under 12 U.S.C. 24(Tenth).

(d) *Conforming lease* means:

(1) A CEBA Lease that conforms with the requirements of subparts A and B of this part; or

(2) A Section 24(Seventh) Lease that conforms with the requirements of subparts A and C of this part.

(e) *Full-payout lease* means a lease in which the national bank reasonably expects to realize the return of its full investment in the leased property, plus the estimated cost of financing the property over the term of the lease, from:

- (1) Rentals;
- (2) Estimated tax benefits; and
- (3) The estimated residual value of the property at the expiration of the lease term.

(f) *Net lease* means a lease under which the national bank will not, directly or indirectly, provide or be obligated to provide for:

- (1) Servicing, repair, or maintenance of the leased property during the lease term;
- (2) Parts or accessories for the leased property;
- (3) Loan of replacement or substitute property while the leased property is being serviced;
- (4) Payment of insurance for the lessee, except where the lessee has failed in its contractual obligation to purchase or maintain required insurance; or
- (5) Renewal of any license or registration for the property unless renewal by the bank is necessary to protect its interest as owner or financier of the property.

(g) *Off-lease property* means property that reverts to a national bank's possession or control upon the expiration of a lease or upon the default of the lessee.

(h) *Section 24(Seventh) Lease* means a personal property lease authorized under 12 U.S.C. 24(Seventh).

(i) *Section 24(Tenth) Lease* means a personal property lease authorized under 12 U.S.C. 24(Tenth).

§ 23.3 Lease requirements.

(a) *General requirements.* A national bank may acquire personal property for the purpose of, or in connection with leasing that property, and may engage in activities incidental thereto, if the lease qualifies as a full-payout lease and a net lease.

(b) *Exceptions—(1) Change in condition.* If, in good faith, a national bank believes that there has been a change

§ 23.4

12 CFR Ch. I (1–1–07 Edition)

in condition that threatens its financial position by increasing its exposure to loss, then the bank may:

(i) Take reasonable and appropriate action, including the actions specified in § 23.2(f), to salvage or protect the value of the leased property or its interests arising under the lease; and

(ii) Acquire or perfect title to the leased property pursuant to any existing rights.

(2) *Provisions to protect the bank's interests.* A national bank may include any provision in a lease, or make any additional agreement, to protect its financial position or investment in the event of a change in conditions that would increase its exposure to loss.

(3) *Arranging for services by a third party.* A national bank may arrange for a third party to provide any of the services enumerated in § 23.2(f) to the lessee at the expense of the lessee.

§ 23.4 Investment in personal property.

(a) *General rule.* A national bank may acquire specific property to be leased only after the bank has entered into:

(1) A conforming lease;

(2) A legally binding written agreement that indemnifies the bank against loss in connection with its acquisition of the property; or

(3) A legally binding written commitment to enter into a conforming lease.

(b) *Exception.* A national bank may acquire property to be leased without complying with the requirements of paragraph (a) of this section, if:

(1) The acquisition of the property is consistent with the leasing business then conducted by the bank or is consistent with a business plan for expansion of the bank's existing leasing business or for entry into the leasing business; and

(2) The bank's aggregate investment in property held pursuant to this paragraph (b) does not exceed 15 percent of the bank's capital and surplus.

(c) *Holding period.* At the expiration of the lease (including any renewals or extensions with the same lessee), or in the event of a default on a lease agreement prior to the expiration of the lease term, a national bank shall either liquidate the off-lease property or re-lease it under a conforming lease as soon as practicable. Liquidation or re-

lease must occur not later than five years from the date that the bank acquires the legal right to possession or control of the property, except the OCC may extend the period for up to an additional five years, if the bank provides a clearly convincing demonstration why any additional holding period is necessary. The bank must value off-lease property at the lower of current fair market value or book value promptly after the property becomes off-lease property.

(d) *Bridge or interim leases.* During the holding period allowed by paragraph (c) of this section, a national bank may enter into a short-term bridge or interim lease pending the liquidation of off-lease property or the re-lease of the property under a conforming lease. A short-term bridge or interim lease must be a net lease, but need not comply with any requirement of subpart B or C of this part.

§ 23.5 Requirement for separate records.

If a national bank enters into both CEBA Leases and Section 24(Seventh) Leases, the bank's records must distinguish the CEBA Leases from the Section 24(Seventh) Leases.

§ 23.6 Application of lending limits; restrictions on transactions with affiliates.

A lease entered into pursuant to this part is subject to the lending limits prescribed by 12 U.S.C. 84 or, if the lessee is an affiliate of the bank, to the restrictions on transactions with affiliates prescribed by 12 U.S.C. 371c and 371c–1. The OCC may also determine that other limits or restrictions apply. The term affiliate means an affiliate as defined in 12 U.S.C. 371c or 371c–1, as applicable. For the purpose of measuring compliance with the lending limits prescribed by 12 U.S.C. 84, a national bank records the investment in a lease net of any nonrecourse debt the bank has incurred to finance the acquisition of the leased asset.

Subpart B—CEBA Leases**§ 23.10 General rule.**

Pursuant to 12 U.S.C. 24(Tenth) a national bank may invest in tangible personal property, including vehicles, manufactured homes, machinery, equipment, or furniture, for the purpose of, or in connection with leasing that property, if the aggregate book value of the property does not exceed 10 percent of the bank's consolidated assets and the related lease is a conforming lease. For the purpose of measuring compliance with the 10 percent limit prescribed by this section, a national bank records the investment in a lease entered into pursuant to this subpart net of any nonrecourse debt the bank has incurred to finance the acquisition of the leased asset.

§ 23.11 Lease term.

A CEBA Lease must have an initial term of not less than 90 days. A national bank may acquire property subject to an existing lease with a remaining maturity of less than 90 days if, at its inception, the lease was a conforming lease.

§ 23.12 Transition rule.

(a) *General rule.* A CEBA Lease entered into prior to July 22, 1991, may continue to be administered in accordance with the lease terms in effect as of that date. For purposes of applying the lending limits and the restrictions on transactions with affiliates described in § 23.6, however, a national bank that enters into a new extension of credit to a customer, including a lease, on or after July 22, 1991, shall include all outstanding leases regardless of the date on which they were made.

(b) *Renewal of non-conforming leases.* A national bank may renew a CEBA Lease that was entered into prior to July 22, 1991, and that is not a conforming lease only if the following conditions are satisfied:

(1) The bank entered into the CEBA Lease in good faith;

(2) The expiring lease contains a binding agreement requiring that the bank renew the lease at the lessee's option, and the bank cannot reasonably avoid its commitment to do so; and

(3) The bank determines in good faith, and demonstrates by appropriate documentation, that renewal of the lease is necessary to avoid financial loss and to recover its investment in, and its cost of financing, the leased property.

Subpart C—Section 24(Seventh) Leases**§ 23.20 General rule.**

Pursuant to 12 U.S.C. 24(Seventh) a national bank may invest in tangible or intangible personal property, including vehicles, manufactured homes, machinery, equipment, furniture, patents, copyrights, and other intellectual property, for the purpose of, or in connection with leasing that property, if the related lease is a conforming lease representing a noncancelable obligation of the lessee (notwithstanding the possible early termination of that lease).

§ 23.21 Estimated residual value.

(a) *Recovery of investment and costs.* A national bank's estimate of the residual value of the property that the bank relies upon to satisfy the requirements of a full-payout lease, for purposes of this subpart:

(1) Must be reasonable in light of the nature of the leased property and all circumstances relevant to the transaction; and

(2) Any unguaranteed amount must not exceed 25 percent of the original cost of the property to the bank or the percentage for a particular type of property specified in published OCC guidance.

(b) *Estimated residual value subject to guarantee.* The amount of any estimated residual value guaranteed by the manufacturer, the lessee, or other third party may exceed 25 percent of the original cost of the property if the bank determines, and demonstrates by appropriate documentation, that the guarantor has the resources to meet the guarantee and the guarantor is not an affiliate of the bank.

(c) *Leases to government entities.* A bank's calculations of estimated residual value in connection with leases of personal property to Federal, State, or local governmental entities may be

§ 23.22

based on future transactions or renewals that the bank reasonably anticipates will occur.

[61 FR 66560, Dec. 18, 1996, as amended at 66 FR 34792, July 2, 2001]

§ 23.22 Transition rule.

(a) *Exclusion.* A Section 24(Seventh) Lease entered into prior to June 12, 1979, may continue to be administered in accordance with the lease terms in effect as of that date. For purposes of applying the lending limits and the restrictions on transactions with affiliates described in § 23.6, however, a national bank that enters into a new extension of credit to a customer, including a lease, on or after June 12, 1979, shall include all outstanding leases regardless of the date on which they were made.

(b) *Renewal of non-conforming leases.* A national bank may renew a Section 24(Seventh) Lease that was entered into prior to June 12, 1979, and that is not a conforming lease only if the following conditions are satisfied:

(1) The bank entered into the Section 24(Seventh) Lease in good faith;

(2) The expiring lease contains a binding agreement requiring that the bank renew the lease at the lessee's option, and the bank cannot reasonably avoid its commitment to do so; and

(3) The bank determines in good faith, and demonstrates by appropriate documentation, that renewal of the lease is necessary to avoid financial loss and to recover its investment in, and its cost of financing, the leased property.

SOURCE: 61 FR 49660, Sept. 23, 1996, unless otherwise noted.

§ 24.1 Authority, purpose, and OMB control number.

(a) *Authority.* The Office of the Comptroller of the Currency (OCC) issues this part pursuant to its authority under 12 U.S.C. 24(Eleventh), 93a, and 481.

(b) *Purpose.* This part implements 12 U.S.C. 24(Eleventh), which authorizes national banks to make investments designed primarily to promote the public welfare, including the welfare of low- and moderate-income areas or individuals, such as by providing housing, services, or jobs. It is the OCC's policy to encourage national banks to make investments described in § 24.3, consistent with safety and soundness. The OCC believes that national banks can promote the public welfare through a variety of investments, including those in community and economic development entity (CEDEs) and community development projects (CD Projects) that develop affordable housing, foster revitalization or stabilization of low- and moderate-income areas or other areas targeted for redevelopment by local, state, tribal or Federal government, or provide equity or debt financing for small businesses that are located in such areas or that produce or retain permanent jobs for low- and moderate-income persons. This part provides:

(1) The standards that the OCC uses to determine whether an investment is designed primarily to promote the public welfare; and

(2) The procedures that apply to these investments.

(c) *OMB control number.* The collection of information requirements contained in this part were approved by the Office of Management and Budget under OMB control number 1557–0194.

(d) National banks that make loans or investments that are designed primarily to promote the public welfare
